

/Users/ira/Dropbox
/ira_dev/protobyte_research
/other_libs/gl/Headers/gluMacro.h

```
graph TD; A["/Users/ira/Dropbox  
/ira_dev/protobyte_research  
/other_libs/gl/Headers/gluMacro.h"] --> B["OpenGL/CGLMacro.h"]; A --> C["OpenGL/gluContext.h"];
```

The diagram illustrates a file hierarchy. A top-level box contains three file paths. Two blue arrows originate from the bottom of this box, pointing to two separate boxes below. The left arrow points to a box containing 'OpenGL/CGLMacro.h', and the right arrow points to a box containing 'OpenGL/gluContext.h'.

OpenGL/CGLMacro.h

OpenGL/gluContext.h
