

sf::Ftp::Response

```
classDiagram
    class sf_Ftp_ListingResponse["sf::Ftp::ListingResponse"]
    class sf_Ftp_Response["sf::Ftp::Response"]
    sf_Ftp_ListingResponse --|> sf_Ftp_Response
```

The diagram illustrates a class hierarchy. At the bottom is a gray-shaded box labeled 'sf::Ftp::ListingResponse'. A blue arrow points vertically upwards from this box to a white box labeled 'sf::Ftp::Response' at the top. This represents that 'sf::Ftp::ListingResponse' inherits from 'sf::Ftp::Response'.
