

BitmapCharRec

```
graph BT; BFR[BitmapFontRec] -.->|ch| BCR[BitmapCharRec];
```

The diagram illustrates a relationship between two classes. At the top is a white rectangular box labeled 'BitmapCharRec'. At the bottom is a gray rectangular box labeled 'BitmapFontRec'. A dashed purple arrow points from the 'BitmapFontRec' box up to the 'BitmapCharRec' box. To the right of the arrow, the text 'ch' is written.
